"Wrapping our ideas around yours"™

COMPREHENSIVE SOLUTION
FOR PRINTING AND PACKAGING

Since 1946

ABOUT US

“GOOD PACKAGING PROTECTS YOUR PRODUCT,
GREAT PACKAGING GROWS YOUR BRAND”

Packaging is not all the same - and it's far more than just “wrapping”
- Let us convince you with our quality, experience and passion.

The Archa Group, belongs to one of the pioneer printing family businesses in Rajasthan carrying on the legacy since 1946. We design and produces high-quality commercial printing material for various Government and Non-Government Business Houses. In 2014 we rebranded ourself and forayed into Packaging Solutions. In the brief span we catered many of top brands in Health Care, Beauty Care, Liquor Brands, FMCG's, Consumer Brands Sector and so on. Our unique packaging solutions enable our customers to keep an edge over competitors.

We believe in quality, consistency and value addition in whatever we do.

With enormous technical know-how and huge experience to fall back, we are equipped to handle complex customer needs every single time. Since every job in hand is unique in nature so we approach things differently each time. Although we are helping customer to BOX their product but our creative philosophy is to think outside the BOX to make them stand apart.

INFRASTRUCTURE

Our manufacturing plant is spread in an area of 2,50,000 sq ft approx, One of the largest printing setup in North India.

At our plant we have installed state of art Equipment and have a standardized process which seamlessly fuses 3-M (Man, Machine & Material) to ensure high productivity and optimum use of latest technologies.

We have high quotient of adaptability and this helps us to constantly align everything we do with sustainability and economic viability. We are actively investing in resources and keep them upgraded all the times.

We are proud to share that we are the First company in India to use KOMORI LITHRONE G40 ADVANCE for Printing.

All of that together results in our packaging experience, which is unique in the industry. Our team has internalized the philosophy behind it. They live it every day in every project and have been doing for more than **75 years** as a Family-run Business. Our customers too, can see and literally feel it when the product exceeds their expectations.
